

FILM ROLL SCARF

CROCHET PATTERN

BY @LANKABYME

PATTERN NOTES

Tool/Material

The sample used 150 meters of white and 100 meters of black yarn in weight 4.

The sample used crochet hook size 4.00mm

This can be substituted into any yarn/hook size, but it will affect the thickness of the scarf. The scarf is 24 half double crochet stitches wide.

You need 2 different colored yarns.

Notes

Skills needed for this pattern: **color chart reading**, **color change** and **half double crochet** stitches. Click the video below for a tutorial.

[How to change colors with HDC stitches.](#)

Make sure to crochet the working yarn on top of the resting yarn to carry it to the next stitch.

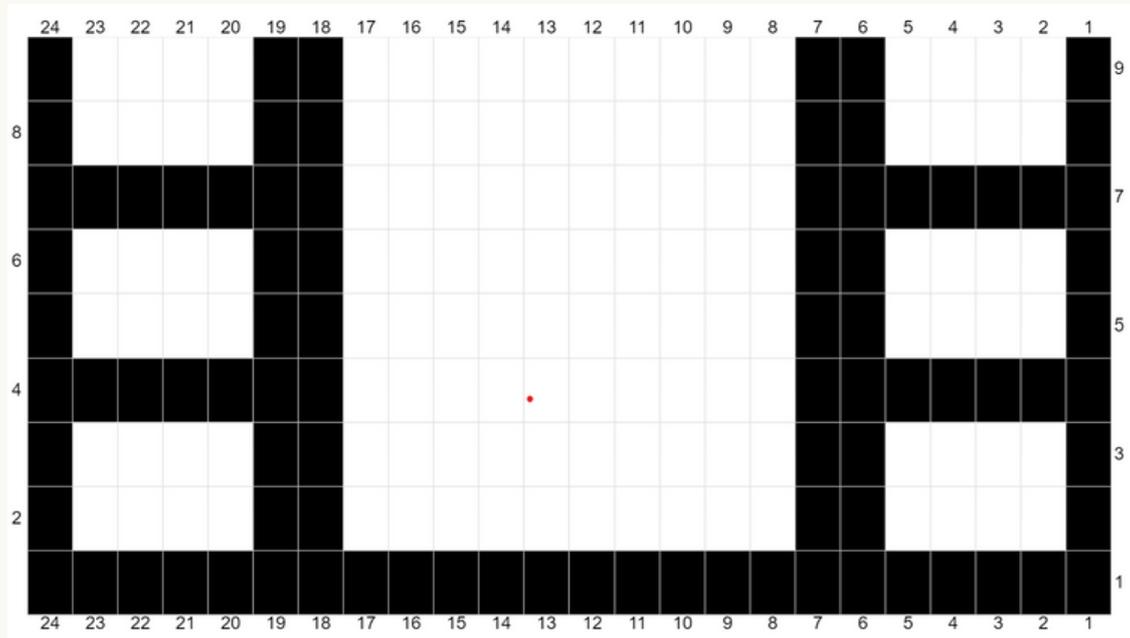

CHART

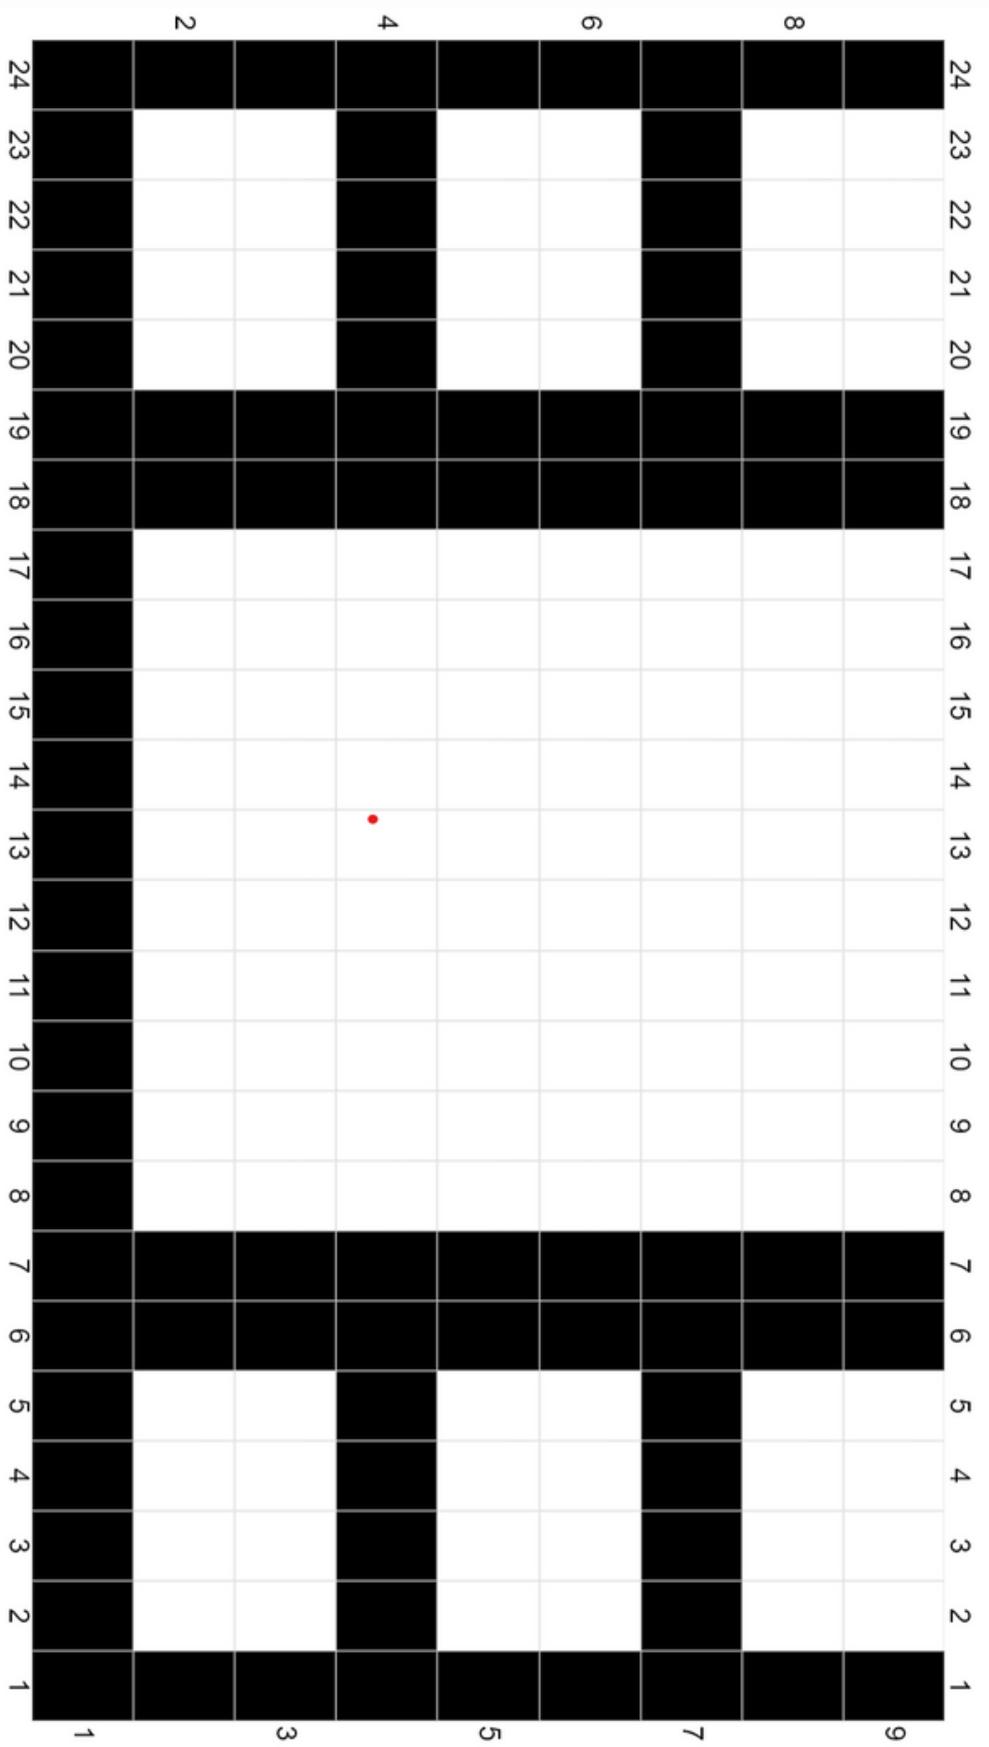

To start, CH25 with color A. Skip the first chain, and work 24 HDC stitches along the chains. CH1, turn.

Use CH1 as a turning chain, it does not count as a stitch.

Continue working HDC following the color chart below. Work as many repeats until it reaches your desired length. The sample was made with 20 repeats.

Go to next page for a printable version of the chart.
